KID TO CAMP

BEST. SUMMER. EVER.

GIVE THE GIFT OF DISCOVERY

When you donate to the Y, you're giving kids in need the opportunity to explore all they can become.

Give for a better us.

Every summer, Camp Marland is home to hundreds of kids who participate in activities that teach core values, leadership skills and conflict resolution. At camp, kids connect with nature, build confidence and make friendships—most of all they have FUN!

Help us make sure every child has the opportunity to have the best summer ever. Give for a better us.
