STRENGTHENING COMMUNITY

The Y's Annual Campaign unites Y staff, volunteers, neighbors and the business community in raising funds needed to provide programs and services to those who need the YMCA most.

Your financial support will make it possible for us to continue to serve our community in critical and meaningful ways. In addition, 100% of your donation will stay local to support thousands of kids and families.

At the Y, no child, family or adult is turned away. As a result, we provided over \$185,390 in financial assistance through our scholarship program.

"I am thrilled that the Sanford-Springvale YMCA has reopened. Since renovating recently, there isn't a nicer gym anywhere in the area. At a time when health is paramount, they have done an outstanding job creating a safe environment with very hands on management where the space feels spotless. It's motivated me to work out more than ever!" -Greg Thayer
