LEARN, GROW, THRIVE

TITAN PRIDE

The mission of the Titans Swim Team is to develop athletes of character who serve as leaders both on the team and in the community, while challenging themselves to reach their full potential as athletes.

For nearly thirty years the Sanford-Springvale YMCA Titans Swim Team has provided our youth ages 6 to 18 a fun-filled positive environment to learn the fundamentals of swimming and challenge themselves to reach their fullest potential.

Our competitive team program provides participants the opportunity to engage in a safe environment focused on our core values of caring, honesty, respect and responsibility.

Through this community focused program our youth are able to set goals and develop skills that enhance their physical, social and emotional wellbeing.

Our Titans program creates a culture of pride and excellence within a team-oriented environment while developing team and individual success at all levels of competition, maintaining a high level of training and athletic development.

Competitive swimming is ideal for promoting sportsmanship, building leadership skills and engaging in a healthy life-long pursuit.

LET'S POOL TOGETHER!

To support the youth in our community.

Your donation will help us purchase new blocks which will enhance the competitive swimming experience for our team, members, and visitors for years to come.

Your sign displayed on the blocks will proudly show your support for the Y and the youth of our communities.

BECOME A TITANS CHAMPION

BLOCK SPONSORSHIP:
One Time donation \$3,600 per block

STRONG COMMUNITIES THRIVE TOGETHER.
